

The FEATHERS

HOTEL · BAR · RESTAURANT

The Feathers is famous for its World Record holding Gin List. Nevertheless, we would like to think that our wine list is also interesting. We obviously offer many of the usual grape Varieties such as Sauvignon Blanc and Chardonnay, Pinot Noir and Cabernet Sauvignon but you will also find some of the less usual varieties such as Grenache, Viognier and Torrontes making an appearance. Of course there is a great selection from both old and new world.

Just like our food menu, we aim to cater for all tastes and occasions.

On the next page you will find over 10 wines available by the glass; then we display our Champagnes, with the House of Laurent Perrier having its own page. The list is then arranged by Style and by country. To close, we have (if we can say so ourselves) a noteworthy selection of Dessert Wines as well as Port and French brandies...

But enough talk about the wine list, please turn the page and discover it yourself. Take your time and do not hesitate to ask for some recommendations or advice.
