

Visitor Information Training Course

The programme we have devised covers information useful for customer-facing roles, based on the experience of our award-winning team at the Oxford Visitor Information Centre. The course will equip participants to answer the wide range of questions visitors ask, and how to help the visitors make the most of our county. We cover the areas of:

General information:

- Historical Oxford: the City and the University
- Geography: areas of Oxford and Oxfordshire

Practical information:

- Attractions in Oxford and Oxfordshire
- Popular Annual Events
- Accommodation

Transport networks

- Car Hire companies
- Bus and train networks
- Road Networks and Parking in Oxford

Customer Service tools:

- Most frequently asked questions
- Where to find more information

We are happy to tailor the content to your specific requirements on request. Training can either be taken on one of our scheduled dates or delivered for your staff exclusively.

Scheduled Courses: £100 + VAT per person

Exclusive training day: £800 + VAT for up to 10 people.
